Inhoudsopgave

This morning at around 02.40 am the alarmclock went off to wake me up. After something that looked abit like breakfast, Bartjan drove me to Schiphol Airport to let me check in for flight Enlarge imageHV685 with Transavia to Arrecife, Lanzarote.

04.15 am was quite early and after a cup of coffee I found my way through customs and the Tax-free shopping center. I arrived at gate 11 around 05.35 am to board only 10 minutes later. The flight was a smooth one and some 4 hours later I was waiting for my luggage at Arrecife Airport. The transfer shuttle, provided by the travel agency was already waiting so I arrived at Apartclub 'Don Paco-Castilla' only 15 minutes later. Unfortunately my apartment wasn't ready yet, so I stored my suitcase for a while and walked to the citycenter of Puerto del Carmen. A walk that took me round and about 30 minutes. I walked by the Playa de Los Pocillos all the way to Playa Grande. My first impression is that it's a nice place to stay. Around 13.00 I checked in to my Enlarge imageapartment. Almost just like in the pictures on the website. I like the apartment very much. It has a pool in front and at the back. At 15.00 I decided to catch some sun and work on my tan. Then I took a shower and had dinner in one of the restaurants at the 'resort'

After my grilled tuna, the early rise this morning got me and I didn't feel like going out so I just stayed in my apartment and went to bed early.
