Monday, september 18

This morning I started sleeping late. Woke up around 09.00 and had breakfast (which I bought in a local supermarket yesterday). Around 10.30 I had a meeting with my travelagent and he gave me some ideas on where to go and what to do. I made some arrangements for tomorrow and friday and then I left for the beach. Walked along the coastline a bit and bought a map and a booklet on Lanzarote. Around noon I walked back to my apartment, had lunch and wanted to catch some sun again. Unfortunately today is a bit to cloudy and we even had a few drops of rain. At the end of the day there was a bit of sun and around 18.00 I walked to the center of Puerto del Carmen for dinner. Today was Indian food. After dinner I visited one of the many bars the center has; Ruta 66. After a few drinks it was time to go back to the apartment and prepare for bed. Tomorrow the car rental company is picking me up early to get the car.
